

CONTRACT PROTECTION INSURANCE (CPI) ANY-CAUSE DEATH BENEFIT

One of the most unique and innovative products in the surplus lines market is IDU's Contract Protection Insurance. This product provides death any-cause benefits on a key person(s) crucial to the successful execution of a contractual agreement. With no medical requirements other than an application, the streamlined nature of the underwriting process enables placement of these policies within 48hrs or less. When dealing with time-sensitive contractual business obligations the ability to secure coverage quickly and seamlessly can mean the difference between a successful business venture or a costly delay.

SALES OPPORTUNITY

Purchasing Life insurance in the domestic market typically takes a minimum of 30 to 90 days with no guarantee the coverage will be approved in the end. This prevents a gap in exposure where an IDU CPI solution fits seamlessly. Having the ability to bind death any-cause coverage, quick and conveniently solves a significant financial risk for your clients.
